

**Your reliable
partner for design
and project
management**

PROMOTE

www.promote.fi

Promote is an

EXPERT CONSULTING COMPANY

specialising in design and
project management.

We create

PROFITABLE

cooperation thanks to our
highly motivated team, efficient
organisation and lean management.

WE TAKE CARE OF

the design of your machinery,
pipelines, steel structures, layouts
and support services, and we
carry out the related

PROJECT MANAGEMENT.

Time is money for our clients, and

SAVING TIME

will yield tangible advantages.

We therefore offer turnkey project management,
customer consultation, commissioning and design services.

We offer

ALL-INCLUSIVE AND/OR PARTIAL
project management services.

WE STRENGTHEN

the client's
project organisation.

We work in a

FLEXIBLE, EFFICIENT

and customer-oriented way.

We react swiftly

to changing situations.

Clients benefit from

ACTIVE COMMUNICATION

of information at all

stages of the project.

Our operations
comply with the

ISO9001

quality management system.

**If you need
a reliable
partner,
contact us.**
